MAP KEY

- Loop Road — one way
- - - Side road / seasonal route
- Facility or trailhead

READ THE ROAD BEFORE YOU ENTER

Loop Road is one way. Sparks Lane and Hyatt Lane are two-way crossovers; use them only if you intend to shorten the drive. Rich Mountain Road, Forge Creek Road and Parson Branch Road are seasonal. Check NPS conditions before relying on any exit. Parking longer than 15 minutes requires a park parking tag. Cell service is unreliable—save this map before leaving town.
